CLASS HISTORY

This year the Class of '69 entered its third year of existence. Junior Class President Bob Stuart, assisted by Vice-President Joanne Matala, Secretary Alexis Speer, and Treasurer Marilyn Hayes, conducted all Junior activities and politics. Bob quickly discovered that the spirit, cooperation, and organization of the Class of '69 were reaching a very high peak. The Juniors began the year with a very successful paper drive. In Football Spirit Week of 1967, the highly spirited Juniors, as "Robin Hood and The Junior Archers," finished another victorious first behind Spirit Princess Anne Kristjanson. On December 1, 1967, the Junior Class sponsored the Christmas Dance, "Snowflake Fantasy." On January 26, 1968, the Seniors presented the Class of 1969 with an exceptionally good Junior Prom; the theme was, "Nights of Scheherazade."

CLASS OF 1970

HISTORY

On September 9, 1966, the Class of 70 attended the traditional Freshmen Day. Frightened but excited the new students were greeted by upper classmen and faculty.

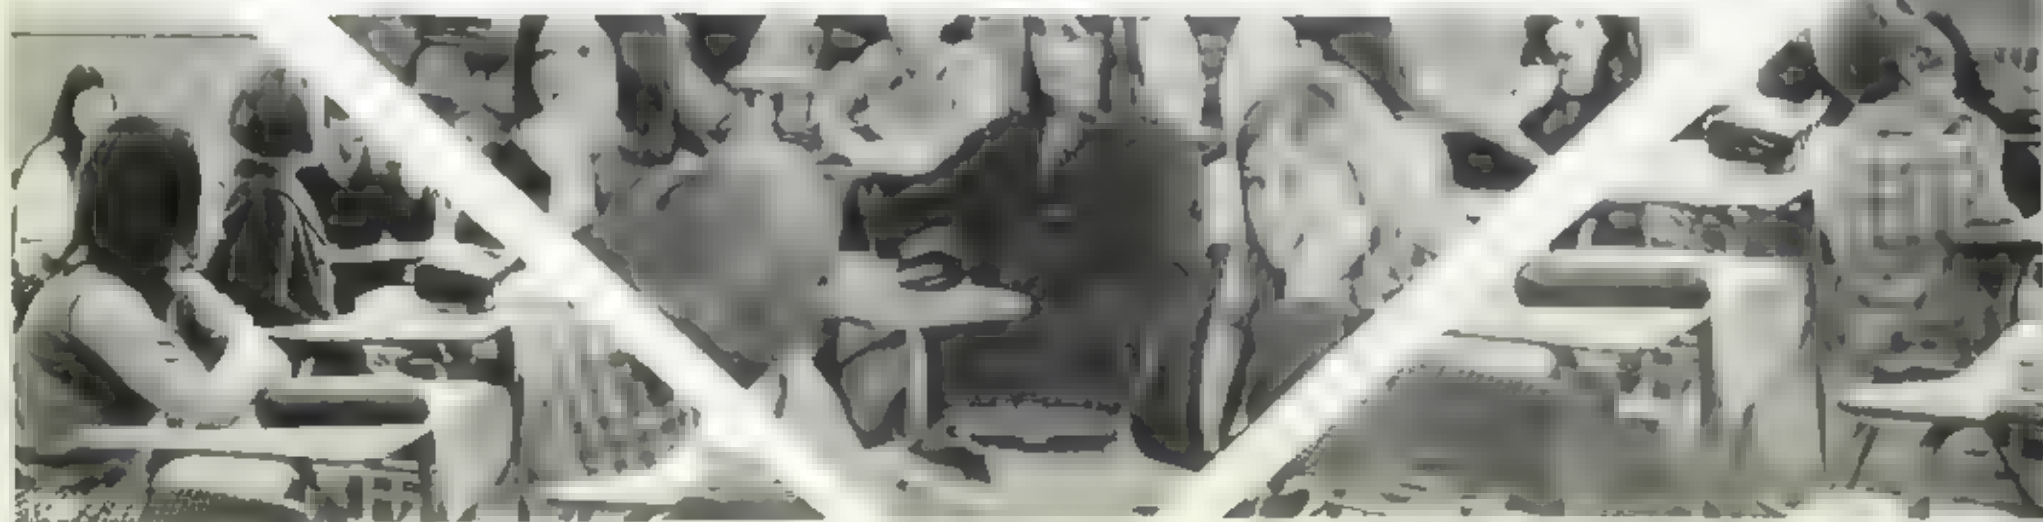

The first time the Freshmen really had a chance to show their enthusiasm was at Football Spirit Week. The Conquerors, led by Spirit Princess Linda Turner, gave a great display of spirit but won a trifling third place.

In November, the Freshmen got their first taste of student politics when the elections for class officers were held. Those elected to organize the activities for the Frosh were: Donna Moorish, president; Jeanie Pederson, vice president; Denise Fuentes, secretary; Daryle Gutierrez, treasurer.

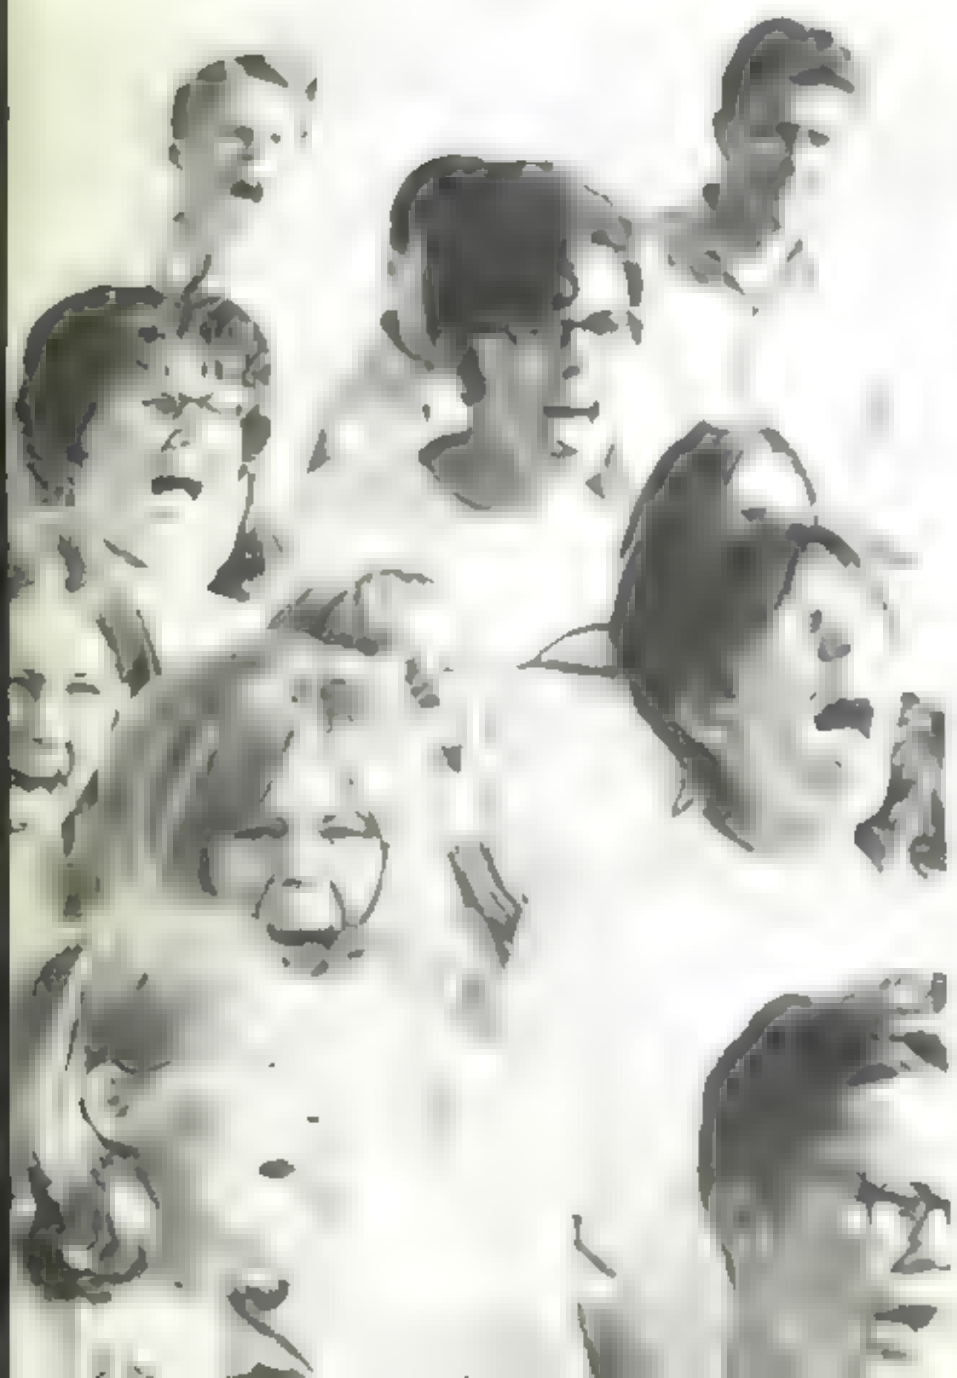

The next big event for the Freshmen was Basketball Spirit Week. Once again they had a chance to show their spirit. Mascot, David Leon, led the Children of the Sun during the rallies. The class, however, placed a trying fourth in spirit, and third in skit.

In June, officers for the following year were elected. They were Steve Riffel, president; Simon Flores, vice president; Jeanie Pederson, secretary; Jeanie Simon, treasurer.

Now Sophomores, they again participated in Football Spirit Week, with Lana Taylor, spirit princess. Their theme was Sophomore Sorcerors, and they conjured up a lot of spirit. However, they only placed third.

The first of these is the
 fact that the population
 has increased in the
 last few years. This is
 due to the fact that
 the country is becoming
 more and more attractive
 to tourists. The second
 fact is that the country
 is becoming more and
 more developed. This is
 due to the fact that the
 country is becoming more
 and more attractive to
 tourists. The third fact
 is that the country is
 becoming more and more
 developed. This is due
 to the fact that the
 country is becoming more
 and more attractive to
 tourists.

IRVINGTON 0-0

The Sunset Falcons kicked-off their 1967 football season with a 0-0 tie to the Irvington Vikings. The Falcons racked up 210 yards into offense while holding the Vikings to a mere 43. But the Falcons played by 135 yards in penalties during the game, just couldn't put the ball across the goal line.

For the Falcons it was a tough day all the way around as they easily outgained the Vikings in every department.

MT. EDEN

12-0

In their league opener, the Sunset Falcons won their first game of the season by defeating the Mt. Eden Monarchs, 12-0. The Falcon defense provided a winning factor by allowing Mt. Eden a mere 23 yards in total offense.

The Sunset Eleven, using the running backfield of Bill Bucholz, Dave Thayne, and Kerry Jordan, swept 76 yards in 15 plays, with Bucholz ramming up the middle for the final five yards and the Falcons' first T.D. of the season. Sunset's second T.D. covered 42 yards in eight plays, with Bucholz sweeping around right end for the second six pointer.

MARINA

Sunset won its second straight league game by defeating the Marina Titans 13-3

The Marina team drew first blood when the Titans' Tom Bradley kicked a 10-yard field goal to put the Marina Eleven in front 3-0. Without any further scoring, the half ended with the Titans still in front, 3-0

In the second half, the fired-up Falcons came out to win as just three plays were gone in the second half when Falcon signal-caller, Brent Baker, hit halfback Korry Jordan on a swing pass for 53 yards and a Sunset touchdown. Steve Sira kicked the P A T and made the score 7-3

Baker, again showing his passing ability, threw a screen pass to Bill Bucholz. The play covered 29 yards and the final six-pointer of the game, as it ended in the Falcons' favor, 13-3

CANYON

7-12

A Canyon player, Hemds to Ed Gagner, Ed Gagner

The Sunset Falcons suffered their first loss of the season at the hands of the Canyon Cougars. All of the Cougar scores resulted from Falcon mistakes. The first score came when a fumbled Ed Gagner punt was recovered on the Sunset four. Three plays later a rusty Canyon pass made the score 6-0 favor of Canyon. The very next play Brent Baker fumbled the Canyon kick off. Canyon's Pete Morrison scooped it up on the Falcon 25 and ran it in for a second Canyon T.D. The half ended 12-0 the Cougars still in front. The lone Falcon score came in the second half when Bill Bicharz scampered 11 yards to hit pay dirt. Steve Sra kicked the extra point and the score was 12-7 the Cougars still with the lead. The Falcons put together a final scoring threat but it wasn't enough as the final gun sounded with the score still 12-7.

ARROYO 9-7

For the first time in four years, the Sunset Falcons defeated the Arroyo Dons, 9-7. The winning factors coming from the tough Sunset defense, who held Arroyo to 53 yards offensively, and an outstanding 121 yard rushing effort by Bill Bucholz.

The Falcon score came on an 84-yard drive with the final 10 yards being made on a scoring sweep by Karry Jordan. Steve Sira kicked the extra point. That was all the scoring done in the first half as the gun sounded with the Falcons in front, 7-0.

The lone Arroyo score came when an intercepted Brent Baker pass was run back to the Falcon 12. Four plays later the Dons' Craig DiThomas ran the ball in for the score. The extra point was good and the game was tied, 7-7.

The final Falcon score came when the Dons were backed up on their goal line to punt. A bad snap from center went out of the endzone and resulted in a safety. The two points boosted the Falcons to a two-point lead. When the gun sounded, the final score read 9-7, in favor of Sunset.

SAN LORENZO 7-22

The Sunset Falcons suffered their second and final loss of the season to the San Lorenzo Rebels 22-7.

The Rebels started their scoring in the first quarter when San Lorenzo fullback Rick Garcia went over from the two. The P.A.T. was missed and the quarter ended with San Lorenzo ahead 6-0.

The second quarter action saw the Falcons go ahead 7-6 when Brent Baker threw a 29 yard T.D. pass to Karry Jordan. Baker ran over the P.A.T. The Rebels then scored another T.D, this time through the air to take a half-time lead of 12-7.

The second half saw the Sunset secondary rise as the Rebels scores in the second half came on long passes. The final two T.D. passes of 24 and 31 yards and a 19 yard field goal put the game out of Sunset reach. When the final gun sounded the score was 22-7, the Falcons on the short end for the second time this season.

TENNYSON 21-0

Karry Jordan battles for extra yardage

The Sunset Falcons rolled up their highest score of the season when defeating the Tennyson Lancers, 21-0

The Falcon score came when Brent Baker hit Karry Jordan in the endzone. The extra point was good and the Falcons led 7-0 at half-time

The final two scores didn't come until late in the second half when Bill Bucholz scampered 8 yards for the second T.D. of the day and the final T.D. coming when Wayne Feletar teamed up with Danny Parker for a 22 yard pass play and a touchdown. All three extra points were made by Steve Sira

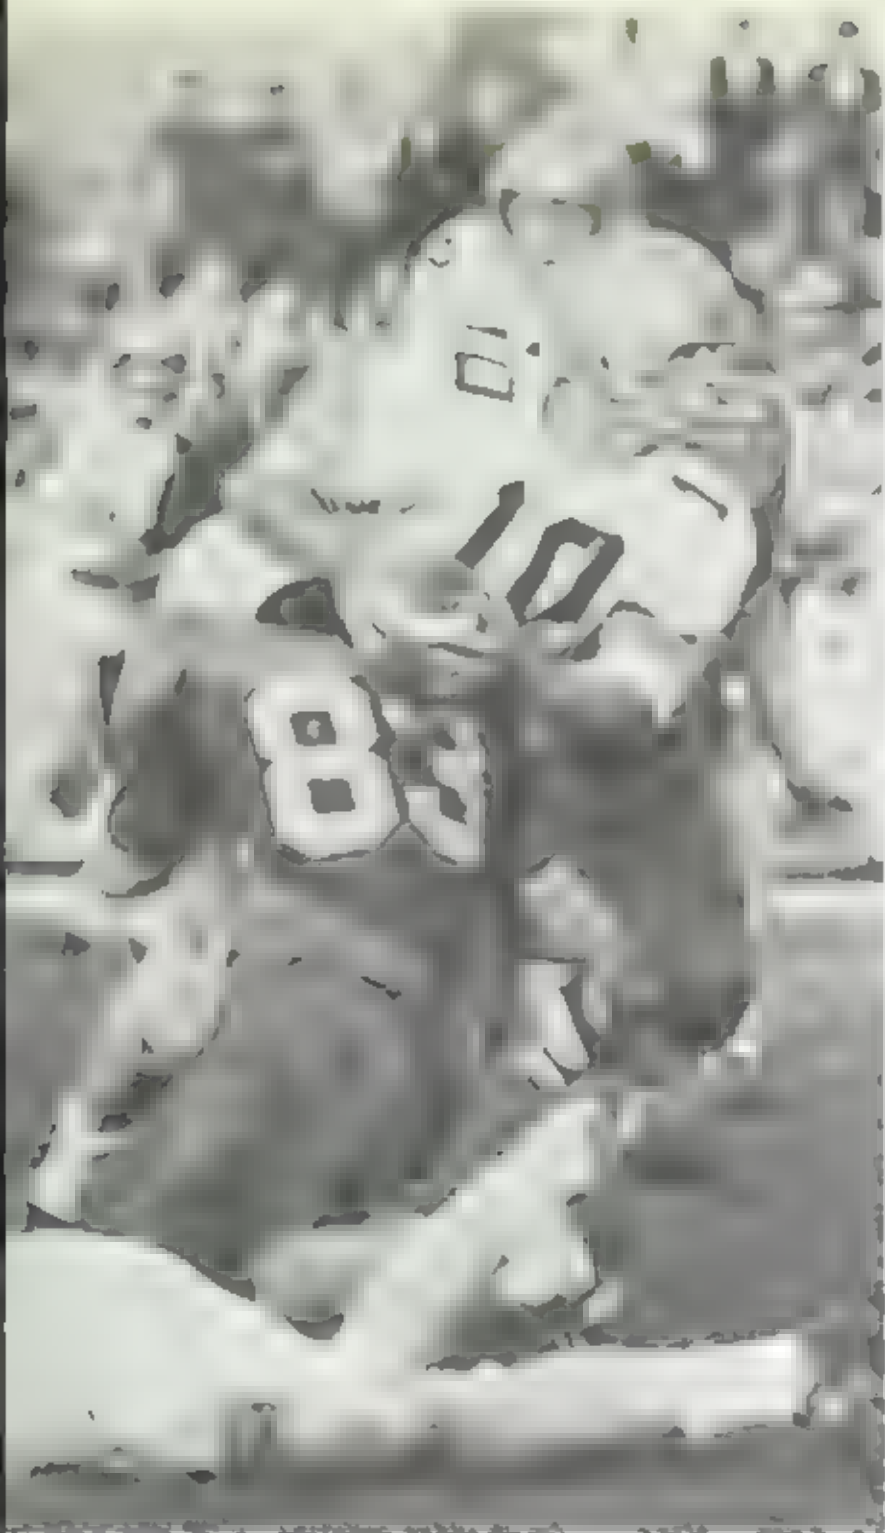

When the clock ran out it spelled doom for the Lancers, but a 21-0 victory for the Sunset Falcons

Mike Britton (83) brings down the Hayward quarterback behind the line of scrimmage

Sunset's final game of the season ended in a 14-14 deadlock with the Hayward Farmers

Both teams scored once in the first quarter, both scored again in the second quarter, then it became a scoreless defensive battle the rest of the way

Sunset's Karry Jordan scored both of the Sunset touchdowns on passes from Brent Baker, the first for 11 yards, the second for 35. Steve Sira kicked both extra points

Hayward's touchdowns came on passes from Mike Salsedo, the first a 42 yarder to Jeff Banks and the second 33 yards to Marshall Gingery. Both extra points were good

With their season-ending game, the Falcons finished 5-2-1 for league play and 5-2-2 over-all season

ACTIVITIES

FRESHMEN ORIENTATION

On Friday, September 8, 1967 Sunset's campus regulations, student government and officer and administration were introduced to the incoming Freshman. A freshmen day has always been traditional and has always seemed to clear the air and

open new gates for the freshman. Attending freshmen day were people such as school president Mark Grissom, head counselor Mrs. Carmen, School Principal Dr. Nelson, and Sunset's Sparklers

THE SOUL

It took just a few to start the dance.

WELCOME DANCE

On September 26, 1967, a welcome dance was presented by Executive Council. For entertainment, the organization had a group named THE SOUL. The purpose of the dance is a somewhat formal way to welcome all new students to Sunset. Streamers of all colored crepe paper came from all ends of the room to form a centerpiece in the middle of the auditorium. The dance was held from 8:00 P.M. to 11:00 P.M. The dance created a friendly atmosphere for the students, and left everyone feeling right at home with Sunset.

Each year Girl's League puts on a "big sister and little sister" tea. This year the tea was given on September 26. The tea had many highlights. Such things as Student speakers, a fashion show, entertainment by the song girls and yell leaders, and best of all refreshments. Usually all senior girls attend and are the big sisters. The Freshmen girls are the little sisters who attend. We feel this helps the freshmen girls get all their questions answered, and gives them someone to rely on during the year for advice.

RED AND GOLD TEA

The tea had two main speakers.
The first of the two was
Barbara Van Buren.

Second speaker was Jackie
Sunder.

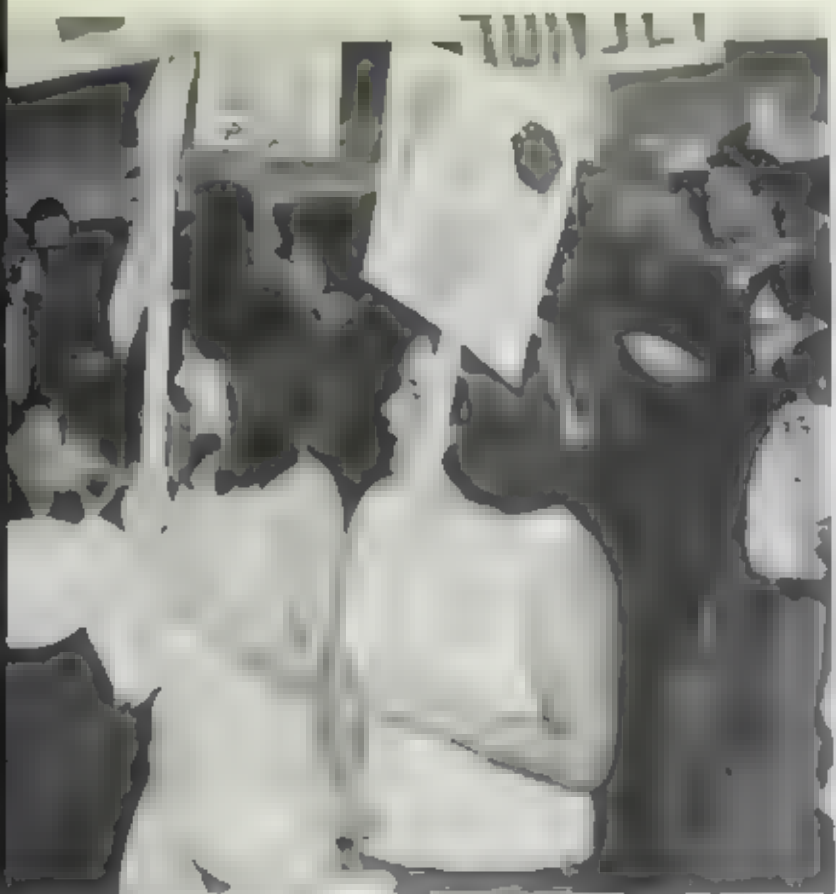

Big and little sisters were also given a fashion show to wear.

JUNIOR ARCHERS

Trying for the top, the Junior Archers gave a fine spirit that took to win a victory. Junior princess Ann Kristjanson, led her class well at all rallies. The attentive class and their princess, after showing great spirit, took first place.

SENIOR INVADERS

With a spirit stick and a great princess, the Senior Invaders showed a high and unequalled spirit. As Candy Besso, senior Princess, would raise her spirit wand the class would yell, go-go go; then as sharp cut off. The same proceeded with "fight and win." In the gym the almighty seniors also had an aluminum space ship which Candy stepped out of when it was the Invaders turn to do the assigned yells.

SOPHOMORE SORCERERS

Bewitch the Fans was the slogan used by the Sophomore Sorcerers. They used this on the signs they carried also. Bewitching a present, the Sorcerers said their princess, Lana Taylor, sent in order whenever they rallied. Although displaying great spirit they captured only 3rd place.

Sophomores, bewitching the fans

There was a great deal of spirit and enthusiasm shown by the Sophomores.

FRESHMEN JOKERS

The Freshmen Jokers proved to be no joke. At all times they upheld a great deal of spirit and showed great enthusiasm. Valerie Hutchinson, princess, and her class roared through the campus. In the gym they displayed spirit never before heard from their freshman class.

Sunset's annual "Back to School Night", was held October 25, 1967. Parents attending the event arrived at 6:30 p.m. and met in the auditorium to hear Dr. Nelson and Student Body Officers. After the briefing the parents picked up their students' schedules and proceeded to their classes. Later they were served coffee and other refreshments in the cafeteria.

Snowflake Fantasy

December 1967 the annual Christmas page was presented. The sponsors, as sponsors of the page, entitled the event as Snowflake Fantasy. Decorated with dangling snowflakes, streamers, blue lights, and an enormous snowman, the school cafeteria seemed more like a winterland place. The crowd danced to music by The Mystic Tunes. The lively evening began at 8:00 and continued until 10:00. Adults and the juniors were quite pleased at the large turnout.

“NIGHT IN SCHEHEREZADE”

Servants greet excited couples

The Orchestra provided music for the evening

JANUARY 26, 1968

An annual event, the Junior Prom was given Friday, January 26, 1968 by the Senior Class and presented in the cafeteria, from 9 p.m. until midnight.

The theme, "Night in Scheherazade," was held secret until that night. Juniors were welcomed by Arabian-clad servers, and introduced by Chairman Margret Riffel and Bob Sahlin. A red and silver color scheme helped to carry out the illusion of an Arabian tent. Miniature camels and other favors accented the tables and were taken by couples as souvenirs of a memorable night.

Guests danced to the lively music provided by "The Outrage."

Compliments by everyone and a letter of thanks, assured the Seniors that their efforts were greatly appreciated.

“SOPHOMORE BANDITS”

The Sophomore Bandits tried even harder this year during Basketball Spirit Week. Bringing themselves up from last place last year, they took third in Skit and Spirit this year.

Their spirit was captured by robbing the Don's stagecoach. Sophomore head bandit, Simon Flores, captured the Don enemy and this fired up the class spirit. Shooting their voices around, the sophomore class proved that they had won their victory.

BOTH A LUNCHEON

AH-SEW

Each year at Sunset, the Homemaking Department and P.T.A. put on a luncheon. Following the luncheon, dress fashions are modeled, and home furnishings are shown by the students in the Homemaking Department. The garments they model are handmade and sewed at home.

Various types of clothing and home furnishings are presented to the public. As the pictures show, a theme is chosen. This year an oriental motif was selected to enhance the surrounding of this lovely occasion. Servers and hostesses also wore oriental clothing.

Teachers supervising the luncheon were Mrs. Burr, Homemaking and Needlecraft; Mrs. Irving, Homemaking; Mrs. Hursh, Homemaking; and Mrs. Harrington, Homemaking. All the teachers had students from their classes participating in the fashion show.

EXECUTIVE COUNCIL

Executive Council is the branch of government made up of all elected officers of Sunset's Student Body. All bills must be passed through Executive Council before going to Administrative Council.

Executive Council has been behind every activity at Sunset this year. Executive Council has also been working on revising the Student Body Constitution so the students may have a better understanding of their student government and its functions.

GIRLS' STATE REPRESENTATIVE

No man is an island unto himself. He must communicate and organize into groups for survival—physically, emotionally and intellectually. Girls' State is a once-in-a-lifetime experience in how to communicate. Communication is the cry and need of our political generation. It is the giving of one's self to others and others giving back. Communication fuses understanding and action into unity. Understanding flows from a total grasp of reality—through the social interaction with other people. Girls' State was such an experience—getting to know people and understanding problems outside of those of my own daily environment. It meant contact with a world of reality and greatly varied concepts of life. I hope every Sunset girl that succeeds me as a Representative to Girls' State is rewarded with knowledge and understanding of all the people they will come into contact with in later years.

MARY JACOBY

BOYS' STATE REPRESENTATIVE

The lessons that I learned during seven days under the blazing Sacramento heat have been a great help and inspiration to me. I left the Sacramento fairgrounds, where the 850 delegates to Boys' State gathered with terrific momentary elation, but with a newfound knowledge and sense of pride in my government.

Although it seems many years since I left Sacramento, I still carry the "spirit of the Boys' State experience", for indeed it can be said as nothing else. The lesson I learned at Boys' State where the purpose is to learn government through living it is one which is vital to the appreciation of our democratic way of life. This lesson is the value of knowledge.

Our democracy can only be truly successful when all citizens have an intimate knowledge of its workings. Ignorance is the true nemesis of democracy. Democracy depends upon its subjects for its life. We must all remember that it is our knowledge and concern that sustains our government. This is the lesson that Boys' State taught me.

FOREIGN EXCHANGE STUDENT COMES FROM GERMANY

To all my teachers and my fellow students

Now, at the end of my stay here, I say
 world I am back to the most wonderful
 most exciting year ever!

Here at Sunset High School, I participated in so many activities and events. I really enjoyed the opportunity to do so because I am very thankful to everyone in this school who helped me to enjoy my year as an exchange student with Youth for Understanding.

I made so many new friends, and I hope to see some of you in Germany sometime.

A special "Thank You" goes to Dr. Nelson the Principal, and a very big thank you to the Burr family who made me feel so much at home. I know, sometime I will come back to Hayward.

Good-Bye

NIGHT OF COMEDY

On Monday, 2nd February, the school
celebrated the Anniversary of the
birth of the very first comedy
writer, Aristophanes. The school
celebrated the occasion by
watching a performance of the play
The Clouds. The play is about a
man who is accused of being a
sophist. The play is a comedy
and is full of fun and games.
The school enjoyed the play very
much and the children were
very happy to see the play.
The play was a great success
and the children were very
proud of their performance.

VOLLEYBALL FUN NIGHT

Friday, March 22 once again gave teachers and students a chance to stretch their abilities in the fun sport of Volleyball. Thirteen teams played matched games throughout the evening in the gym. The evening ended with "Our Gang" grabbing first and the "Wrestling Animals" wrapping up their efforts for second.

The job of the Aquila Staff is to prepare a yearbook and present it to the students at the end of the last semester.

This year the staff was made up of 22 hard-working, efficient students. Their names and particular jobs are listed on the preceding page.

To become a member of the publications class, one must have a 'B' average in English, be a junior or a senior, and obtain a recommendation from his English teacher.

Much work has been put into this yearbook and it is hoped that this annual will serve as your memory book for 1968.

Drama Club is an organization made up of Sunset High's Drama classes.

In class, the students learn the fundamentals of acting, make-up, costumes, and speech. This year the group presented 'The Night of January 16th' for its fall production. Next year, the Drama Club hopes the productions will be even bigger and better.

GIRLS' LEAGUE

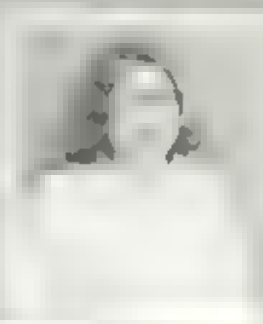

Girls' League is an organization whose purpose is service to Sunset High School. Its membership list includes the name of every girl who is a student here. An executive committee composed of officers, committee chairmen, and representatives from each social studies class plans and organizes the many events, on the year's calendar, then carries the information back to each girl and invites those interested to participate.

The year starts out with the Red and Gold Big Sister Tea, a welcome to all new girls students. Other events include serving at the Sports Award Banquets, conducting the all-school friendship week, presenting a fashion and dance assembly, participating with the P.T.A. in the Spring Salad Bowl Luncheon, and taking part in the crowd.

Money raised by operating the concession booth at athletic events, sponsored dances, and conducting the carnival booth is used for scholarships awarded to girls planning to attend college.

Block S was organized in Sunset's first year. It is a service club that helps the Student Body purchase athletic equipment. Some of their purchases in the past years have been bulletin boards, record books, wrestling equipment and a wheel chair. Membership consists of those students who have done exceedingly well in football, basketball, track, wrestling, tennis, swimming, basketball, and cross country track and who have earned a Block S. All athletic awards are property of the school until the student withdraws or graduates, then they become the property of the student. All letters, medals and other awards presented by the Student Body can not be altered nor modified. Awards from other schools can not be worn on a Sunset High School sweater. All rules must be followed in order for Block S members to keep their blocks.

No words can express the gratitude and heartfelt appreciation we wish to extend to Stephen Shepherd

As Advisor of the Aquila for the past three and one-half years, he strove to help Sunset students present an exceptional yearbook

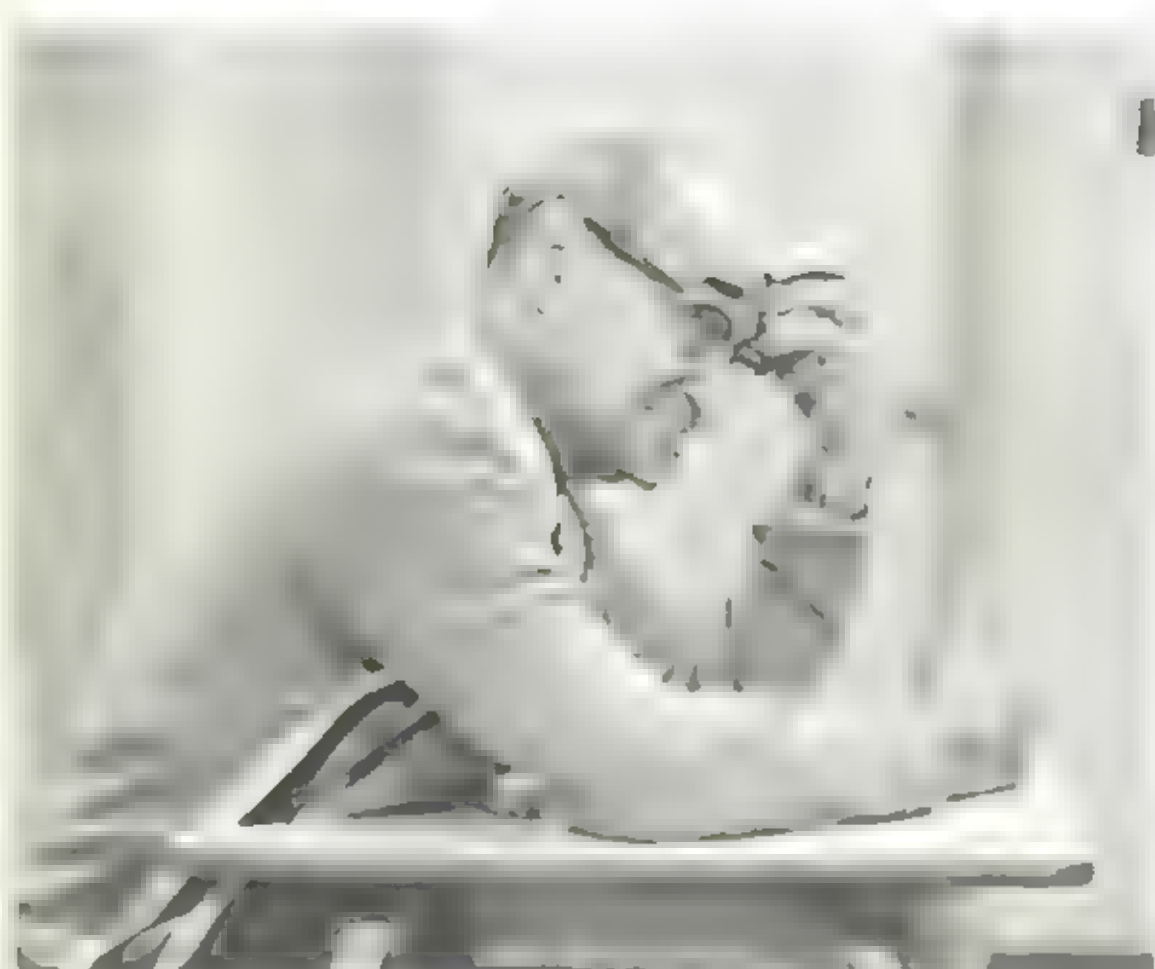

He understood the younger generation and felt the need to stifle the barrier between students and teachers

We, the Aquila Staff of 1968, wish to express our deepest and sincere thanks for the many hours of devoted guidance you have given us

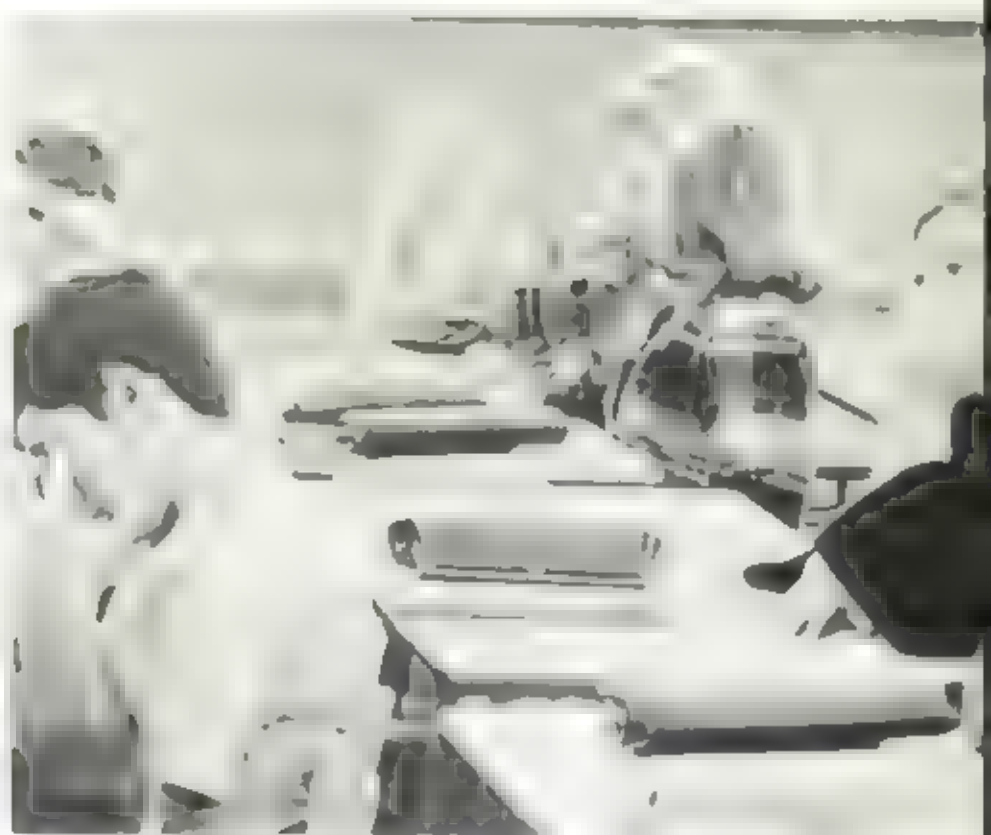

To you Mr. Shepherd, we dedicate the 1968 Aquila

Our deep appreciation for a job well done
